it is a beautiful spot. The central Shawne Lake was the site of the now restored Dexter Mill, a water powered grist mill. Across the pond is the First Church of Christ. This church is crowned with a graceful spire that is considered the best example of a Christopher Wren design in the United States. In the church is the oldest bell in America. The bell was the gift to the town of Sandwich from the widow of a French Captain. In 1702, Captain Peter Adolphe's ship was wrecked and all hands lost. The people of Sandwich gave the crew a Christian burial. The Captain's widow sent the bell, which was cast in Germany in 1675, to the townspeople of Sandwich as a gift of thanks.

The Sandwich Glass Museum is half a block from the lake and it is a treasure house containing examples of every glass

## Auction Action by Many

### MANY WORKERS AID AT AUCTION

The recent auction held by the Mattapoisett Historical Society owes its success to the many persons working together on this project. Peter Briggs, chairman of the auction, has expressed appreciation to the merchants and townspeople who made generous contributions. He would like to make public mention of his many co-workers.

Richard Waterhouse and John Atkinson were co-chairmen of the publicity committee. The window display on Water Street was prepared by Anne Stowell. The pony and cart were loaned by Tom Briggs of River View Ranch. Miss Joan Silva and her mother, Mrs. Frank Silva, took turns driving around the village on three evenings accompanied by Mrs. Howard Crowell or Mrs. Albert Furnans. Mrs. George Bradley and Donald Jason were most cooperative.

Others to assist included: telephone committee, Theodore Bradley, Mr. and Mrs. George E. Eldridge, Mr. and Mrs. Frederick

## Mattapoisett Yacht Club

### YACHT CLUB RACE

Postponed because of high winds and an unfavorable weather report, the third race in the June series scheduled by the Mattapoisett Yacht Club was held Sunday, June 23rd.

M. Lewis' Fuzz came in first in the handi-cap class, with S. McGowan's Gryphon second.

Cloud 9, skippered by G. Fisher, won the Corinthian race, with Demo, skippered by A. McLean, second.

H. Pentleton in Swamp Fox placed first in the Beetle Cat division, with A. Anderson in "Boat" second.

In sharp contrast to the preceding day, the winds were light, 5-8 knots, from the south, later shifting to north. Seas were calm.

There were two boats entered in the handi-cap class. They sailed a 6 mile course, starting at the committee boat to Gallatin Rock Black Can 3, to Angelica Point Red Nun 2, to Nye's Ledge Black Bell 9A and finishing at the committee boat.

The Corinthian race turned out to be a see saw contest, with A. McLean leading at the start, then being overtaken by F. Farnham and G. Fisher between Crescent Beach MYC guide buoy and Nye's Ledge Black Bell 9A. F. Farnham crossed the finishing line seven minutes ahead of the rest of the fleet, only to be disqualified for incorrectly rounding the Nye's Ledge marker. First place then went to G. Fisher sailing Cloud 9, with A. McLean in Demo, second. S. Ruell's Lulu, starting last, came in third.

Subtle plaid suits are a very important ingredient of the well-dressed man's wardrobe. We invite you to see our selection. From \$65.00.

The Mattapoisett Town Democratic Committee met Thursday night at the American Legion Hall on Depot Street. The meeting was highlighted by an interesting and informative address by John A. Langlois, democratic candidate for the executive council. Mr. Langlois explained his reasons for running and impressed the gathering with his frank approach to the problems facing the Commonwealth, and the need for involved people to deal with these problems.

A moment of silence was observed in memory of the late Senator Robert F. Kennedy.

A letter was read from Charles Figueiredo thanking the town democratic committee for their endorsement of his candidacy for the position of postmaster in the town.

In other business of the meeting, Mrs. Luice McCormack was elected as treasurer to replace Mr. Frederick Wheeler who has resigned. John Langlois was elected vice-chairman of the committee and Mrs. Rose Avila was elected refreshment hostess.

## Are They YOUR Mosquitoes?

The following letter is from the Plymouth County Mosquito Control Project to the Mattapoisett Board of Health regarding the spraying for mosquitoes:

Our truck units are currently carrying out their spray schedules to public playgrounds, filtration and sewage areas, parks, church and school yards. This measure will allow relief to the greatest number of people, and will be coupled with inspection and treatment of active breeding areas. It is economical-

ly unfeasible and impractical to even attempt to spray backyards in anticipation of gaining any proportion of control, other than temporary relief for that one homeowner.

The recent rains will, in all probability, help in presenting us with another active insect year. An added problem comes from the homes that were constructed in swampy areas during the past drought. They now have cellars with water, and will breed mosquitoes. These areas also have sewage problems which compound the problem.

I cannot stress strongly enough the impor-
